Three horizontal bars representing the percentage of respondents who believe the U.S. should take action to reduce greenhouse gas emissions. Each bar is green and has a small black dot at its end.

1

A decorative graphic at the top of the page. It features a horizontal green line with several segments and right-angle turns. Small green dots are placed at some of the line's endpoints. On the right side, there is a green-outlined icon of a clipboard with a checklist, showing three items, the first of which is checked. A vertical green line descends from the left end of the horizontal line, and another vertical line is positioned further to the right.
